HD Cameras for PEG Access

Compare and contrast the features of HD video cameras in the \$2500 to \$5000 price range and how they apply to a PEG access workflow. Sales representatives will speak about their equipment and how it is right for PEG facilities. A side-by-side "shoot out" in the vendor area will allow attendees to see actual cameras in action!

Vendor Showcase!

Can't get enough "techy-talk"? Then you will not want to miss out on this year's Vendor Showcase on Friday, October 15. It is going to be one of the best yet! Prime vendors will highlight the latest and greatest in production and playback equipment, programming, consultation services, space solutions and more! Sony and Panasonic, will be demonstrating their new prosumer HD cameras, Tightrope will show their latest program scheduling and playback servers, and Broadcast Pix will feature their new line of video switchers. Don't miss out on the opportunity to learn from these industry technology leaders, plus many more! If you have any questions regarding the vendor showcase, contact: Ron Cooper at rcooper444@aol.com or (916) 456-8600.
